

Dear Camilla,

Below is a revised quotation from my colleague Adrian Sewell, should you have further queries regarding this, and to save time, please contact Adrian direct.

The top end figure of £2,350 (I am including two road signs at £175 each) split 50-50 would clearly mean a contribution of £1,175 from the parish, that's under half of the original quotation and I would hope, much more acceptable to the parish. Please let me know as soon as possible what the outcome is, the earlier we submit a bid, the better.

Best wishes, Andy.

Hi Andy

Quotation for Highway Improvement Work at: The Street/Lyng Road, Lyng – Ref No HI(N)T16/073/AS

For the footway improvements on the street from the gateway 'Old Rectory' finishing at the bridge railings approximate distance 111m I have allowed £1,816.58 (£2000)

For a standard 76mm post and single sign assembly I would allow £175.00 each

Hope this helps...

Kind Regards **Adrian Sewell**

Hi Adrian,

I have finally met with Lyng Parish Council to discuss the attached improvement works. They have asked that we provide a further quote, this being for the improvement works in their parish only, (The Street) and a unit price for the road warning signage which they can then decide on how many, it's likely to be two or three.

Best wishes, Andy.
